YOUR MONEY THIS SUMMER: Bank Accounts and Direct Deposit

If accepted to MYEEP this summer you will be working and earning a paycheck. MYEEP is part of a citywide effort to help summer job participants like you open bank accounts, save money using direct deposit, and learn money management skills.

We prefer to pay people by direct deposit. Why? Because with direct deposit, your paycheck is electronically transferred straight into your bank account. Direct deposit is faster, easier, and a great way to save! No travel needed to pick up a paycheck. No risk of losing your check or getting your money stolen. And unlike going to a check cashing or corner store, there are NO FEES. Direct deposit is the best way to get paid – don’t miss out!

Even better, the City of San Francisco has partnered with San Francisco Federal Credit Union to create youth bank accounts for summer jobs participants. These accounts are in the participant’s name, free to open, have no minimum balance or monthly fees, and no overdraft fees. Credit Union staff will be onsite during orientation to answer questions and help you sign up for a bank account.

These credit union accounts are the best bank accounts out there for youth like you. But if you or your parents prefer to use another bank account, that’s ok! Just remember to sign up for direct deposit at the beginning of our program.

Direct deposit makes saving easy, and we’ll help you set a savings goal and save automatically each pay period. To encourage participants to save with direct deposit, we’ll be offering savings rewards – like gift cards when you sign up for direct deposit and set a savings goal, and parties for meeting your goal at the end of the program.

More information is available once accepted to MYEEP. Have questions? We’re here for you. Just call [415-202-7903].

Your Checklist for Banking and Direct Deposit

1. Have your parent or guardian sign the credit union consent form in this application packet.
2. Bring the signed consent form to your program orientation
3. Sign up for a credit union membership at orientation
4. Sign up for direct deposit and set a savings goal
5. Start saving and earning rewards!
Parental Consent
Credit Union Membership and Data Sharing

For parents and guardians of youth under age 18 who are participating in San Francisco summer youth employment programs

This year we are working with the City of San Francisco and MyPath, a nonprofit dedicated to financial empowerment for working youth, to bring your child the MyPath Savings program. MyPath Savings helps youth learn about managing their money, and offers the opportunity to open a bank account and save money. **Research shows that young people with a savings account in their own name are 7 times more likely to go to college!**

As a partner in this program, San Francisco Federal Credit Union (San Francisco FCU) is providing youth an opportunity to open safe, affordable checking and savings accounts in their own name to help them learn to manage their own money. **We want to make sure you understand that your child may apply for a Credit Union membership, and that we have worked with the City to ensure that these accounts are safe, affordable, and fee-free.**

Also, because San Francisco FCU and MyPath want to ensure that this program provides participants with excellent service that supports long-term financial success, we are supporting an evaluation of MyPath Savings in San Francisco. The evaluation needs data from youth who open accounts and become San Francisco FCU members.

San Francisco FCU and MyPath care about protecting your child’s data. San Francisco FCU will PROTECT the data set in which individual data is housed using reasonable, generally accepted industry standards. Only members of the evaluation team will be allowed access to the data for this study. Rest assured that we will ONLY share data about savings accounts, and will NEVER share individual data with any other agency or organization.

**By providing permission to share your child’s saving data, you will be helping to make this program better, which means you will help other youth who will use these same services in the future!**

In order for your child to participate, please sign and return this form to the summer employment program.

By signing below, I hereby acknowledge and agree to the following:

1. I give permission for my child to apply for, and become a member of San Francisco FCU for the purposes of participating in the savings program detailed above.

2. I understand that in order for my child to participate in the program, s/he will have to provide personal data to San Francisco FCU, MyPath, and/or their
agents, and I consent to that collection of personal data for the purposes of participation in the program.

3. I give permission to San Francisco FCU to share my child’s account data with MyPath for the purposes of evaluation as stated in this Parental Consent. I certify that I have the authority to sign this Consent as the parent or legal guardian of the person named below (“Participating Youth”).

4. I acknowledge that any membership account opened by my child/ward under this program is theirs alone, and that I do not have the legal right or authority to utilize the account. I understand that any inappropriate use of the account may subject the user to civil and/or criminal penalties.

5. I understand that this consent will remain in effect until and unless it is revoked by me in writing.
